Father Ron and Friends

Father Ron, an Episcopal Priest, is a versatile performer who has played Rock, R & B, Blues, Folk, Zydeco and Cajun music.

The Friends is a gathering of talented musicians from all walks of the musical realm to sing the traditional Folk Music of America, as well as contemporary Folk and Acoustic songs. The group mixes the tradition with original tunes that invite the audience into a joyous evening of fun and joy.

The Great American Singalong gathered energy as many were reunited with these great songs and others were introduced to what some consider the heart of the American soul of the 20th century. Bringing together songs by Seeger, Guthrie, Odetta, Leadbelly and many others, the Great American Folk Song Singalong celebrates the life of the American experience.

On My Way Home, a Global Music Awards Bronze Medal winner, is an album of contemporary folk music. These are original tunes from Father Ron and highlighted by the talents of the Friends.
